Vocare, a subsidiary of Totally plc is actively recruiting for 111 Clinical Advisors based in Vocare House-Newcastle to join our out of hours service. You will be supporting Health Advisor's by delivering patient care using your clinical skills as well as using our bespoke system. You will be required to assess patients symptoms, giving advice, and referring further if needed.

Successful candidates will be NMC or HCPC registered and qualified to degree level in a related healthcare subject. You will have 2 years post registration experience (Ideally within primary care, emergency care, unscheduled care or related field) and have experience of having undertaken a range of governance activities.

What's it like to work here?

"Our service has a friendly, welcoming atmosphere and is the most inclusive environment where we all respect each other as individuals and colleagues which enables us to provide a superb, seamless care for callers to our telephone triage service"

We are a leading provider of primary care in collaboration with the NHS, who values the professional developments of our Clinicians. We have a wide range of benefits to offer you including a competitive salary, free medical indemnity cover, maternity and sick pay and exciting progression opportunities within the company.

All successful applicants will be subject to a Enhanced DBS Check.
