

REGIONAL DIRECTOR VACANCY

Based in the North

Full Time

From £73k pa

Are you an adaptive leader with the ability to build effective, high-performing teams and local partnerships? Do you have a proven track record of operational delivery and success? Are you ambitious and keen to be a key player in Vocare becoming the leading provider of out of hospital care?

If the answers to all these questions is yes then we are really looking forward to talking to you.

Vocare's Regional Director role is pivotal in taking overall accountability for the performance and quality of the services in the region. The Regional Director will work in partnership with the Regional Medical Director and Regional Clinical Director to maintain a positive and productive culture of patient-focused care, one which values and supports staff, and continuously maintains and improves professional relationships with partners and commissioners. Through this work the Regional Director will grow the business within the region.

We are looking for a high calibre leader with key leadership and influencing experience to join a fantastic, innovative, hard working, effective team, and you will have the opportunity to lead your region whilst also contributing to changes on a national level within the urgent care system.

Successful candidates will hold a management qualification at degree level and also have significant experience of working in a management role within the healthcare sector. Candidates will also need to be able to demonstrate successful experiences in engaging stakeholders and leading a multi-disciplinary workforce. Ideal candidates will also need to be able to demonstrate experience of delivering to contractual obligations and system working with providers and commissioners. Excellent communication style, highly numerate with advanced IT skills alongside a positive and patient oriented attitude are also essential for success within this role.

Our Regional Director will work on a full time basis, based in the North and would also be required to regularly travel around the North East, Yorkshire and the North West.

Vocare is operational 24 hours a day, 7 days a week, 365 days a year and flexibility around these hours will be required.
