

Opportunity for an CLINICAL SERVICE MANAGER

Vocare Ltd are seeking to appoint a Clinical Service Manager to support our regional clinical operations in the provision of high quality primary and urgent care services .

**Based in York
- some travel
required**

**Salary from
£42k - £46k
pa (FTE)**

**Full-Time
position
available**

**Excellent
Employee
Benefits**

This is a key role within the Regional Senior Management Team. The post-holder will provide high quality professional leadership to all Nurses and allied healthcare professionals working in the region, and also lead on the delivery of excellent standards of care - driving a culture of patient safety, clinical effectiveness and continuous quality improvement.

Successful candidates will be NMC or HCPC registered and qualified to degree level in a related healthcare subject. You will have 5 years post registration experience (2 of which should have been in primary care, emergency care, unscheduled care or related field) and have experience of having undertaken a range of governance activities. To succeed within the role you will have a positive demeanour, the ability to use your initiative and work autonomously as well as having excellent clinical, communication and interpersonal skills.

If you have the skills and experience to excel at this role then we would love to hear from you! In return we can offer excellent benefits including a pension, great career progression opportunities and the chance for you to make a genuine difference at a regional level.

**Closing Date:
24th February 2019**

We are a leading provider of primary care in collaboration with the NHS, who values the professional developments of our Clinicians. We have a wide range of benefits to offer you including a competitive salary, free medical indemnity cover, maternity and sick pay and exciting progression opportunities within the company.

We encourage you to apply as soon as possible, as once sufficient applications have been received we may decide to close the advert early.
