

# Advanced Lead Practitioner

**Are you passionate about delivering excellent standards of care whilst driving a culture of patient safety, clinical effectiveness and continuous quality improvement?**

**Are you looking for a managerial post whilst maintaining your clinical career?**

**If so, this is the job for you!**

**Based in St Mary's  
Urgent Care Centre**

**Salary of up to £62k  
dependant on experience**

**Full-Time,  
Permanent**

We are looking for an Advanced Lead Practitioner to continue to drive high quality, excellent care in our Urgent Treatment Centre in St Mary's Hospital. This is a key role within the Regional Senior Management Team and is a fantastic opportunity to pull together your clinical knowledge, expertise and management skills to continue to drive this service to maintain high standards of care and demonstrate continuous quality improvement.

The successful candidate should be able to demonstrate leadership and management expertise, have a sound understanding of quality, governance and assurance and how to apply that in the working environment. Experience of audit and performance management is essential, along with excellent communication skills and team ethos. A large part of this role is in the training, development and coaching of staff so clinical acumen is crucial.
