Emergency Care Practitioners play an essential role in our Urgent Care Centres by demonstrating advanced clinical knowledge when assessing, diagnosing, treating and discharging patients with minor injuries and minor illness.

Successful candidates will hold HCPC registration and have five years post registration experience, two of which will have been spent in primary care, A&E, or unscheduled care.

We are a leading provider of primary care in collaboration with the NHS, who values the professional developments of our Clinicians. We have a wide range of benefits to offer you including a competitive salary, free medical indemnity cover, maternity and sick pay and exciting progression opportunities within the company.

We encourage you to apply as soon as possible, as once sufficient applications have been received we may decide to close the advert early.
