Based at St Marys,
London

Salary between
£37k - £64.5k
per annum (FTE)

Free Medical
Indemnity

Full time, part time
and Zero hours
positions available

The primary focus of the role is to work as a Nurse Practitioner providing high quality and timely patient centred care. You will work as a part of a team, within a defined area of practice and with access to support from a GP or Advanced Practitioner. You will undertake assessments of a range of health and clinical needs of a patient within scope of competence and using clinical practice skills and own clinical judgement diagnose, treat, refer or discharge patients.

Successful candidates will hold NMC registration and have five years post registration experience, two of which will have been spent in primary care, A&E, or unscheduled care alongside qualifications in treating minor illness and minor injuries.

We are a leading provider of primary care in collaboration with the NHS, who values the professional developments of our Clinicians. We have a wide range of benefits to offer you including a competitive salary, free medical indemnity cover, maternity and sick pay and exciting progression opportunities within the company.

We encourage you to apply as soon as possible, as once sufficient applications have been received we may decide to close the advert early.
